[Full Access] 2025 Unconference

Registration Scholarship Application Instructions

Executive Summary

Full Access LLC has established a grant program to provide financial assistance for unconference registration fees, to help individuals in the Claris FileMaker Developer community on attendance to **[Full Access] 2025**, an unconference that is being organized by the managing partners (and the steering committee) of Full Access LLC. This initiative aims to reduce financial barriers and increase diversity, by offering partial registration support for women, racial and ethnic minorities, people with disabilities, and newcomers to the field.

Program Objectives

Primary Goals:

- Reduce financial barriers to unconference attendance for underrepresented groups
- Increase diversity and representation at **[Full Access] 2025**
- Provide professional development opportunities for diverse professionals
- Strengthen the software community through inclusive participation

Proposed Program Structure

Grant Coverage:

- Partial or full unconference registration fee assistance
- Amount varies based on need and available funding
- Recipients responsible for any remaining registration costs and all other expenses (travel, accommodation, meals)

Number of Recipients: One (1) as of June 8, 2025 (additional recipients to be added, based on available funding, as the unconference date nears)
